UNMATCHED PERFORMANCE FOR ALL APPLICATIONS

Discover the ultimate in versatility with Nandha's HDPE Pipes. Our innovative use of thermo alkathene plastic polymers delivers exceptional resilience, durability, and affordability, perfect for drinking water systems, irrigation networks, and borewell operations.

Each pipe is meticulously crafted from premium High-Density Polyethylene, compliant with BIS Standards (IS 4984:2016). Offered in grades PE63, PE80, and PE100, and available in various pressure ratings, Nandha Pipe is your go-to for reliable, high-performance piping solutions tailored to every need.

APPLICATIONS

✓ **Underground Applications**

✓ **Above ground Applications**

✓ **Floating Pipe Applications**
